

The Number 1
communication tool
for School Leaders
& SENCOs

Quickly gather information about students and groups

School Robins is an information gathering tool for school leaders & SENCOs. Just create an information request (aka Round Robin) about a student, group or topic and then watch the magic happen.

- ✓ Save time
- ✓ More organised
- ✓ Easy to use

01348 800 100

www.schoolrobins.com

Connects with SIMS, Integris, CMIS & Progresso

STEP 1

Send info request about the pupil or group in question

STEP 2

Information received by the relevant teachers

STEP 3

Replies collated into a single report & attached to the pupil

***No staff training required - works with all existing email systems**

- Quickly select teachers involved based upon a pupil's timetable.
- Never miss a deadline again, easily request updates & reminders about students & their progress.

Select all teachers who teach this pupil
